### A Pledge for Parents / Guardians

To support my daughter during product sale program activities, I will

Attend troop cookie/nut training with her.

Ask her about her personal goals and her troop's cookie and nut sale goals.

Help her identify potential customers and practice answering customers' questions.

Check on her progress throughout the sales.

Volunteer to help at her troop's cookie booth sale.

Parents, please detach along dotted line. Keep the reminder and give the signed permission slip to your leader.
